Hearts for Haiti

Our staff and students have a number of fundraisers planned to help the people of Haiti.

We are currently running a coin drive. Students are encouraged to do odd jobs around home to earn money to donate to Haitian relief. A few students have already brought in huge bags on pennies. Thank you so much for your contributions.

On January 29th, we will host **Hot Lunch for Haiti** for \$5.00 students can purchase a hot dog, juice, and two cookies. Students may purchase these items separately. Please complete the form at the bottom of this newsletter. Students will not be able to use their hot lunch punch card as this is a fundraiser for Haiti not a canteen meal. Thank you for your support.

Ski information must be returned to the school by tomorrow, Thursday, January 28th. The organizer of school field trips will be at the Olympics therefore needs to organize our trip before she leaves. Do not send money for the trip until the end of February.
