

Use of District Buses

Policy No. 406.5

REGULATIONS

1. Use of Activity Buses (Mini Buses)

- 1.1. Primary use of these vehicles is for curricular and extra-curricular trips for school district students. Any other uses require the prior approval of the Manager of Transportation and the Superintendent of Schools.
- 1.2. The buses will be licensed to carry a maximum of 24 passengers plus the driver. All curricular and extra-curricular trips, where the number of passengers exceeds the school bus permit allowance (24), will use the regular bus fleet.
- 1.3. Drivers for the regular bus fleet will be employees of the school district Transportation Department.

2. Community Use of School District Buses

The Board acknowledges the benefits to the community and the district of providing busing services for community organizations provided:

- 2.1. That all precautions are taken to ensure the safety and security of personnel, passengers and buses;
- 2.2. That the District, as the carrier, receives no compensation, or payment of any kind; and,
- 2.3. That the Secretary-Treasurer, or designate, approves the use of any bus registered to the school district.
