

Selection of an Architect

Policy No. 402.4

The Board of Education, School District No. 91 (Nechako Lakes), shall appoint a Coordinating Architect to ensure adherence to established construction standards and Ministry of Education requirements.

The Board shall ensure that the Coordinating Architect will represent a firm of architects considered to be the best qualified to execute the particular project or program.

Requests for proposals will be distributed to selected architectural firms.

For major projects (\$1.5 million or more) a summary of the submissions will be presented to the Board for their selection. For minor projects, the Secretary-Treasurer shall select the architect.
