

School Volunteers/Coaches**Policy No. 305.3**

The Board of Education, School District No. 91 (Nechako Lakes), believes that the education of students is an undertaking that should be shared among its employees, parents and members of the community. The Board believes that the active involvement of parents/guardians and appropriate use of volunteers/coaches as helpers has the potential to provide considerable benefit to the intellectual and social development of students. The Board encourages parents/guardians and members of the community to become involved as volunteers/coaches in the schools.

Subject to the attached regulation and the *School Act and Regulations*, a volunteer/coach may provide services at or for a school, provided it does not result in the displacement of an employee.
