

International Students & Residency

Policy No. 301.3

The Board of Education, School District No. 91 (Nechako Lakes), supports the enrollment of students from outside of the Province of British Columbia, including students that are:

1. Ordinarily resident in British Columbia, as per Policy 301.2 – Ordinarily Resident; or,
2. International students, within district schools.

The enrollment of international students is subject to the Regulations accompanying this policy and is subject to the condition that a student residing in the school district is not displaced from his/her program or course of study.
