

District Owned Vehicles

Policy No. 406.7

The Board of Education, School District No. 91 (Nechako Lakes), recognizes the benefits and need for district-owned vehicles and buses to support students and employees. The use of district vehicles shall be for only district purposes as directed by the Superintendent.

The Board is concerned with the safety of students, employees and passengers in district owned vehicles and the district expects all drivers to be appropriately licensed and trained for the vehicle used. All district drivers will operate vehicles in a responsible and lawful manner at all times.
