

Temporary School Closure

Policy No. 402.15

In accordance with the *School Act*, it is the policy of the Board of Education, School District No. 91 (Nechako Lakes), that every prescribed day should be an in-session day.

However, in the presence of factors which are detrimental to the health, welfare and/or safety of students, schools will be temporarily closed. A reasonable effort will be made to contact parents.

Schools will remain open during inclement weather conditions. However, parents should exercise discretion in sending their children to school during inclement weather.
