

Digital Wellness and Safety

By the end of May of each school year, students in grade 6 (K-6 schools) or grade 7 (K-7 schools) have **completed** the online Digital Wellness and Safety course. Completion status must be entered into **MyEducation BC**. If you have questions, please contact L1Support@sd91.bc.ca.

Although it is laid out on the digital platform, here are a number of resources and links that support your planning and curricular connections for this course.

Create Account

3. Log in, then click on the Explore Courses Side tab and select **Browse All**.

4. Select **Ignition: Digital Wellness & Safety** course

a. If you wish, click on **Details** to explore information about the course.

b. Select **ADD** and then select Create New Class

5. Set up your Class and click **Save**.

A screenshot of a form for setting up a class. The form is divided into two main sections: 'Class Information' and 'Courses'. The 'Class Information' section has a subtitle 'Add information about your class. You can edit details later, if needed.' and four input fields: 'Class Name *' (with the text '2026-2027 Grade 7 Teacher Class'), 'Start Date *' (with a dropdown showing 'November 2026'), 'Class Size *' (with a dropdown showing 'Between 15 and 45'), and 'Grade Level *' (with a dropdown showing '7th Grade' and a close button). The 'Courses' section has a subtitle 'You must add at least one course to create a class. Courses added to your class will be available for your students to complete. You can add additional courses to your class at any time.' It includes a 'Selected Courses' section with a toggle for 'Lock all courses' (currently off) and a list of courses. One course, 'Ignition: Digital Wellness & Safety', is selected. Below the list is a 'Select Courses' button with a count of '1'. At the bottom right of the form are 'Cancel' and 'Save' buttons.

6. You can now either share a Code with your class, manually create accounts, or import a roster from a CSV. Depending on which option you chose, there are instructions that will guide you.

ENTERING COMPLETION RESULTS INTO MyEducationBC

Instructions:

Teachers:

1. Provide a list to your Administrative Assistant that indicates Digital Literacy course student completion status - Y(yes) they have completed the training or N (no) they have not. * It is expected that every effort has been made to ensure students complete the training.

Administrative Assistants:

2. In the **Student** Top Tab - Select your grade 6 (or 7) students.
3. In the **Details** Side Tab, navigate over to **Miscellaneous**.

The screenshot shows the MyEducationBC interface. On the left, a vertical sidebar contains the 'Details' tab, which is currently selected. Below it are 'Contacts', 'Attendance', and 'Conduct'. At the top of the main area, there are buttons for 'Options', 'Reports', and 'Help'. Below these are 'Save' and 'Cancel' buttons. A horizontal row of tabs is visible, including 'Demographics', 'Addresses', 'Alerts', 'Citizenship', 'Programs', 'Permissions', 'Language & Culture', 'Buses', and 'Miscellaneous'. A red arrow points to the 'Miscellaneous' tab.

4. Under the **Misc3** Tab, select **Y** or **N** depending on completion status.

The screenshot shows the 'Miscellaneous' tab with a list of items labeled 'Misc1' through 'Misc8'. Each item has a corresponding dropdown menu. The 'Misc4' dropdown menu is open, showing two options: 'Digital Literacy = Y' and 'Digital Literacy = N'. The 'Misc4' dropdown menu is highlighted with a blue background.
